KEYNOTE SPEAKER

DR. ARIANE THOMAS

- Dr. Thomas received her Juris Doctorate degree from Widener University Law School in 2001, the same year she graduated with her doctorate in Clinical Psychology.
- Dr. Thomas operates a private psychotherapy practice in the Philadelphia, PA area counselling clients addressing the challenges of depression, anxiety, work stress, relationship issues, racial stress, and racial identity development.
- Dr. Thomas commits much of her practice to serving clients in the legal profession facing distinct and impactful challenges. Her practice provides stress management support by providing opportunities to debrief and process experiences in discrete, supportive environments which enhances work satisfaction and improves one's overall professional practice.
